Dear Wes Hessel:

Our records show you have not paid \$1,107.19 for natural gas service at your former address listed above. This amount will be shown as an "Account Receivable Adjustment" on your next bill. If you have paid this past due amount, thank you and please disregard this letter.

*we were deemed
NOT owing this
amount
but they
keep placing
it back
on bill*

If you have not paid, please add \$1,107.19 to your next Nicor Gas bill payment. If this amount is not paid, we will be forced to take further credit action. This action may result in termination of your natural gas service. When service is terminated, you must pay in full your outstanding balance plus a deposit before we restore service.

If you need assistance paying your past due amount, please call us at 888/NICOR4U (888/642-6748). One of our representatives will be happy to assist you.

Your prompt attention to this matter is appreciated.

Sincerely,
